

PRIVILEGE POST-MODULE

What can you do to work to dismantle not only system of oppression but systems of privilege?

Case Study:

1. What does "fair" mean in college admissions?

Read: "Affirmative action for white people? Legacy college admissions come under renewed scrutiny"

2. Discuss your reactions to the article - Should legacy students have an advantage? Do you agree with the author that it is still race-based admissions?

3. Given the recent Supreme Court ruling, how can underrepresented applicants receive reparations in higher education?

Social Identity Worksheet

- Did this activity show you that you have privileged or marginalized identities you did not think about before?
- How do these identities affect your experience in the workplace?
