 *Up to 72 units of Humanities Field can overlap with the HASS GIRs. There cannot be overlap between the GIR and Eng/Sci subjects.

 If a Humanities Field subject is also being used as a HASS GIR, its units cannot count towards the 180 units required beyond GIRs. List that subject both in the GIR list above and in the Humanities Component List on the top right of this form, but list the units only in the column labeled "Major Units used in GIRs."
